

# CLINICAL ENGINEERING

---

## Quality Assurance

---

### Food and Drug Administration (FDA) Recalls/Alert Notices

No FDA medical equipment recalls or alerts were received for this AFMLL. Personnel from clinical engineering, biomedical equipment maintenance, quality assurance, and safety are reminded to continue monitoring other publications which provide guidance to ensure the effective maintenance and management of medical equipment. (AFMLO/FOM, Capt William Wood, DSN 343-4024)

## Medical Equipment Management

---

### Shared Procurement Equipment Items Currently Available

AFMLL 17-95, Attachment 1, pages 16 and 17, contains a list of all current Shared Procurement contracts and optional contracts available through DPSC. If you plan to order any of these items for your facility, use the specific ordering instructions and overall program guidance contained in AFMLL 5-95, pages CE-5 and CE-6. (AFMLO/FOM, 1Lt Dave Zemkosky, DSN 343-4028)

### “Piggyback” Contracts Currently Available

AFMLL 24-95, Attachment 1, pages 6 and 7, contains a list of all current “piggyback” contracts currently available through DPSC. The list includes available quantities and “Order By” dates. To order, send your requisitions to DPSC (using the MILSTRIP process), Attn: Mr. J. Gallagher, and reference the contract number (from the listing) in the notes section. For more information on “piggyback” contracts, see AFMLLs 7-94 and 24-94. (AFMLO/FOM, 1Lt Dave Zemkosky, DSN 343-4028)
